

2018-2019 Performance Measure Definitions

This guide displays the California Department of Aging (CDA) Health Insurance Counseling and Advocacy Program’s (HICAP) Performance Measure (PM) Definitions. The following PM Definitions relate to data-driven values used as a part of the methodology for establishing state HICAP and federal State Health Insurance and Assistance Program (SHIP) goal-oriented Target Penetration Counts (TPC) needed by each Area Agency on Aging (AAA) for demonstrating improved performance within the Medicare population for each Planning and Service Area (PSA).

PERFORMANCE MEASURE (PM)	DEFINITIONS ¹
<p>PM 1.1 Clients Counseled</p>	<p>Number of FINALIZED Intakes for all clients/ beneficiaries that received Counseling Services (aka contacts) where status is "Final" and "Date of Review"² is within the assessment period.</p> <p><i>Calculated using Aggregate report data labeled as “Total Finalized Intakes”; excludes Quick Calls.</i></p> <p>NEW for SFY 2018-2019: Intakes <i>must</i> have <u>at least</u> one Medicare topic selected and dates entered on form are limited to one calendar month through finalization and review.</p>
<p>PM 1.2 Public and Media Events (PAM)</p>	<p>Number of COMPLETED PAM forms for all events categorized as “Interactive” where the “Event Date”³ is within the date range reported.</p> <p><i>Calculated using Aggregate report data for Total Number of Events with categories labeled as “Interactive Presentations” (incl. electronic/ digital and/or tele-conferences, when attendance is monitored to justify true encounters), “Booths or Exhibits” at fairs or special events, “Mobile InfoVan” events, and dedicated “Enrollment Events.” Excludes non-interactive events (Billboard, Email, Magazine, Newsletter, Newspaper, Radio, Social Media, Television, Websites, Other Electronic or Print Activities).</i></p> <p>NEW for SFY 2018-2019: PAM forms <i>must</i> have <u>at least</u> one Medicare topic selected for Primary Focus, Target Beneficiary Group, and Intended Audience.</p>

2018-2019 Performance Measure Definitions

Endnotes

- 1) Definitions presented include:
 - Clarifications related to data captured within the Statewide HICAP Automated Reporting Program (SHARP) for generating the Performance Measure progress reports and
 - General explanations related to Aggregate report data used in establishing state and federal performance measures.
- 2) “Date of Review” is a manual mechanism within SHARP for FINALIZED Intakes where the Program Manager (*or their designee*) enters the review date and (*as specified above*) the report(s) capture data based on the input value.
- 3) “Event Date” is an manual mechanism within SHARP for COMPLETED PAMs where a user enters the date of the event and clicks “Save” and (*as specified above*) the report(s) captures data based on the input value.
