Subject: Postponement of CBAS Non-Profit Provider Requirement

Purpose The purpose of this letter is to announce that the Department of Health Care Services (DHCS) has decided to postpone until further notice and no sooner than January 1, 2014, the implementation of the requirement restricting CBAS providers to Non-Profit legal status.

Non-Profit Requirement Postponement DHCS will postpone the CBAS provider non-profit legal status requirement previously scheduled for January 1, 2013 (reference non-profit requirement detail at: www.aging.ca.gov/ProgramsProviders/ADHC-CBAS/forms/2012/CBASSOPsFINAL2012-28-11.pdf).

Given the substantial transformation that all CBAS providers and participants have undergone this year as a result of the *Darling v. Douglas* Settlement Agreement, DHCS and CDA have decided to postpone the implementation of the non-profit provider requirement. Instead, DHCS and CDA will focus on working with the Medi-Cal managed care plans, CBAS providers, and provider associations to maintain quality and integrity in the CBAS program.
