

CALIFORNIA DEPARTMENT OF AGING (CDA)

FAX

TO: All ADHC Providers
FROM: Adult Day Health Care (ADHC) Branch
DATE: January 13, 2012
SUBJECT: Community Based Adult Services (CBAS) Assessment Results

The purpose of this fax is to provide information regarding how Community Based Adult Services (CBAS) assessment results will be provided to ADHC centers.

CBAS Assessment Results

Thank you for your continued support and involvement in the participant assessments for CBAS eligibility. We are about to communicate results of these assessments, starting with results for several of the ADHC centers that received assessments over the holidays. Our original intent was to notify each ADHC center within 10 business days from the last day of the assessment visit by providing a list of CBAS eligible and CBAS ineligible participants.

We apologize for a small delay in this notification process, as we have been reconciling notification requirements and conditions with our legal staff and Disability Rights California (DRC), including the drafting and translating of notices of eligibility and ineligibility to participants as required by the Settlement Agreement. Therefore, we will be providing "summary" eligibility notifications to ADHC centers until the participant notices are finalized. Those "summary" notifications will present your center's eligibility results as percent eligible, as of the date of the "summary" notification, as well as the population size that supports those statistics. A DHCS nurse supervisor will contact you prior to finalizing individual determinations of ineligibility for CBAS for your participants.

Thank you again for your patience on this matter and your ongoing support and cooperation with DHCS as we advance through these assessments together.

Questions

If you have questions, or need additional information, please contact the ADHC Branch at (916) 419-7545 or visit the following websites:

- DHCS CBAS/ADHC Transition website at <http://DHCS.ca.gov/ADHCtransition>
- CDA ADHC website at www.aging.ca.gov/programs/adhc
