DATE: June 6, 2012
SUBJECT: Upcoming Training for Managed Care Cutover – Phase 1

Phase 1 Managed Care Cutover Training

Phase 1 of the CBAS cutover to Managed Care is targeted for July 1st, 2012. To support this cutover, Department of Health Care Services (DHCS), CDA and Phase 1 Managed Care Plans will be providing a training session for Phase 1 CBAS Providers. You are receiving this FAX because you are one of the CBAS Providers involved in the Phase 1 Cutover to Managed Care.

We are currently targeting the afternoon of June 14th to perform this training so please mark your calendars now. This training will include topics that address the following:

- How to get paid for services up through June 30th
- How to get paid for services starting on July 1st
- Business processes and workflow with Managed Care
- Various questions and scenarios regarding Face-to-Face Assessments and Authorizations for services
- How to process new candidates as well as existing participants
- ... and much more.

We are working hard to bring Plans, Providers, DHCS, and CDA together during this transition so we can make it as seamless as possible. This training session is one of several actions that reflect these efforts and the close partnership that will make this transition successful for everyone.

We will send out a notice soon regarding the final time and date for this training, so please watch for that announcement.

Thank you for your involvement in this transition and for your contributions to its success.
