

Recommended Search Terms and Phrases for ADRC Websites

This document provides local Aging and Disability Resource Connection (ADRC) partners with a list of keywords ADRCs might use when creating and updating keywords and search terms for the partnership's online searchable database for consumers. Please note that the California Department of Aging (CDA) is providing this list for informational purposes only and it is extensive, but not exhaustive. If your ADRC has additional terms to suggest for this list, please email ADRC@aging.ca.gov.
