Data Collection Questions

1. Please select all of the following ways that your ADRC is involved in COVID-19 vaccine access activities paid for in full or in part by the ADRC COVID Vaccine Access funding.

- Increasing vaccine confidence/decreasing vaccine hesitancy (e.g., developing materials or resources, group or individual outreach).
- Reaching underserved populations, such as rural, minority, non-English speaking and/or other marginalized populations (e.g., developing materials or resources, door-to-door campaigns, translation services).
- Public outreach and awareness (e.g., public announcements, targeted marketing push, sharing information on ADRC website).
- Individual outreach and awareness (e.g., direct calls or in-person visits to individuals who may be eligible).
- Vaccine registration, including through county or state website, 211, or in-person.
- Transportation (e.g., scheduling and/or paying for ride services, companion services, providing direct transportation).

Supporting vaccine distribution sites (e.g., staffing, providing location for distribution sites, including mobile sites, etc.).

Promoting booster shots (e.g., outreach on booster shots, assistance scheduling booster appointments, etc).

Addressing accessibility needs (e.g., by coordinating with AT programs).

Other, please describe:

2. What is the total number of people reached through all activities paid for in full or in part by the funding for the reporting period? *This would include public outreach (e.g., PSAs, marketing) as well as through individual assistance and services.*

3. What is the total number of people who have been reached through individual assistance (e.g., individual outreach/assistance/coordination, scheduling support, transportation, receipts of incentives) paid for in full or in part by the funding for this reporting period?

a. If available, please provide the number of people who have been reached through individual assistance by demographic category for this reporting period. Note: individuals may be counted in more than one category below (e.g., a person who is 65, has a disability, and is an ethnic minority would be counted in all three demographic categories).

i. Number of people reached through individual assistance (age 60+)

ii. Number of people reached through individual assistance (any age with any type of disabilities)

iii. Number of people reached through individual assistance (any age that are racial or ethnic minorities or underserved populations)
