Instructions for Title IIID/Disease Prevention and Health Promotion written Objectives:

Title IIID activities require a narrative goal and objective for all services provided with Title IIID funds. The objective should clearly describe the service activity being performed and document how the service activity meets ACL criteria for evidence-based programs. All Title IIID programs must meet ACL’s new criteria for evidence-based activities by July 1, 2016. Each AAA is responsible for evaluating and documenting that all Title IIID activities meet these criteria. There are two accepted methods to determine if a program meets the new Title IIID evidence-based criteria:

1. Document how the program meets each of the five (5) bullets in the new evidence-based definition.
 - Has been demonstrated through evaluation as effective for improving the health and well-being or reducing the disability and/or injury among older adults.
 - Has been proven effective with the older adult population, having used through an Experimental or Quasi-Experimental Research Design.
 - Had research/evaluation results published in a peer-reviewed journal.
 - Has been implemented previously at the community level (with fidelity to the published research) and shown to be effective outside a research setting.
 - Includes program manuals, guides and/or handouts that are available to the public.

2. The program is considered to be evidence-based by any operating division of the U.S.

⁴ Indicate if Program Development (PD) or Coordination (C) is the objective (cannot be both). If a PD objective is not completed in the timeline required and is continuing in the following year, any objective revision must state additional tasks.

⁵ Use for the Area Plan Updates only to indicate if the objective is New, Continued, Revised, Completed, or Deleted.

Department of Health and Human Services (DHHS). Each operating division offers lists of “evidence-based” programs on their websites.

Other considerations:

- Medication Management is no longer a required separate service category. However, Medication Management is an allowable activity, if it meets the new evidence-based criteria.
- Medication Management is reported as a Title IIID Disease Prevention Health Promotion activity.
- Nutrition Education and Nutrition Counseling are no longer allowable Title IIID activities.

Instructions for Title IIIB/VIIA Long-Term Care (LTC) Ombudsman Written Objectives:

In addition to the data required for the LTC Ombudsman Outcome Measures, AAAs are required to provide one or more written LTC Ombudsman-specific objectives for services provided with Title IIIB and Title VIIA funds. These must be distinct from objectives provided for the Title VIIA Elder Abuse Prevention Program.

Objectives related to the LTC Ombudsman Program should clearly explain activities that can include, but are not limited to, the following examples:

1. Targeted community outreach to explain the mission of the LTC Ombudsman Program and the role of ombudsman representatives to advocate for the rights of LTC residents.
2. Coordination efforts of the AAA to assist the LTC Ombudsman Program in achieving objectives, including the provision of technical assistance to Program staff.
3. Activities related to recruitment and retention of volunteer LTC Ombudsman representatives.

Instructions for Title VIIA Elder Abuse Prevention Written Objectives:

Title VIIA Elder Abuse Prevention: AAAs must provide at least one written objective for services provided with Title VIIA Elder Abuse Prevention funds. These must be distinct from objectives provided for the Title IIIB/Title VIIA LTC Ombudsman Program.

Objectives related to Title VIIA Elder Abuse Prevention may include:

1. Recommendations/suggestions for developing/enhancing programs for the prevention and treatment of elder abuse, neglect, and exploitation.
2. Providing for public education and outreach to identify and prevent elder abuse, neglect, and exploitation.
3. Ensuring the coordination of services provided by AAAs with services provided by Adult Protective Services, local law enforcement agencies, legal services providers, and other agencies involved in the protection of elder and dependent adults from abuse, neglect, and exploitation.
4. Conducting training for individuals, professionals, and paraprofessionals in relevant fields on the identification, prevention, and treatment of elder abuse, neglect, and

exploitation, with particular focus on prevention and enhancement of self-determination and autonomy.

5. Providing technical assistance to programs that provide or have the potential to provide services to victims of elder abuse, neglect, and exploitation and for family members of the victims.

TITLE IIIB and Title VIIA:
LONG-TERM CARE (LTC) OMBUDSMAN PROGRAM OUTCOMES

2016–2020 Four-Year Planning Cycle

As mandated by the Older Americans Act, the mission of the LTC Ombudsman Program is to seek resolution of problems and advocate for the rights of residents of LTC facilities with the goal of enhancing the quality of life and care of residents.

Each year during the four-year cycle, analysts from the Office of the State Long-Term Care Ombudsman (OSLTCO) will forward baseline numbers to the AAA from the prior fiscal year National Ombudsman Reporting System (NORS) data as entered into the Statewide Ombudsman Program database by the local LTC Ombudsman Program and reported by the OSTLCO in the State Annual Report to the Administration on Aging (AoA).

The AAA will establish targets each year in consultation with the local LTC Ombudsman Program Coordinator. Use the yearly baseline data as the benchmark for determining yearly targets. Refer to your local LTC Ombudsman Program's last three years of AoA data for historical trends. Targets should be reasonable and attainable based on current program resources.

Complete all Measures and Targets for Outcomes 1-3.

NOTE: This is not a count of *visits* but a count of *facilities*. In determining the number of facilities visited for this measure, no nursing facility can be counted more than once.

TITLE VIIA ELDER ABUSE PREVENTION
SERVICE UNIT PLAN OBJECTIVES

Units of Service: AAA must complete at least one category from the Units of Service below.

Units of Service categories include public education sessions, training sessions for professionals, training sessions for caregivers served by a Title III E Family Caregiver Support Program, educational materials distributed, and hours of activity spent developing a coordinated system which addresses elder abuse prevention, investigation, and prosecution.

When developing targets for each fiscal year, refer to data reported on the Elder Abuse Prevention Quarterly Activity Reports. Set realistic goals based upon the prior year's numbers and the resources available. Activities reported for the Title VII Elder Abuse Prevention Program must be distinct from activities reported for the LTC Ombudsman Program. No activity can be reported for both programs.

AAAs must provide one or more of the service categories below.

NOTE: The number of sessions refers to the number of presentations and not the number of attendees

- **Public Education Sessions** –Indicate the total number of projected education sessions for the general public on the identification, prevention, and treatment of elder abuse, neglect, and exploitation.
- **Training Sessions for Professionals** –Indicate the total number of projected training sessions for professionals (service providers, nurses, social workers) on the identification, prevention, and treatment of elder abuse, neglect, and exploitation.
- **Training Sessions for Caregivers Served by Title III E** –Indicate the total number of projected training sessions for unpaid family caregivers who are receiving services under Title III E of the Older Americans Act (OAA) on the identification, prevention, and treatment of elder abuse, neglect, and exploitation. OAA 302(3) 'Family caregiver' means an adult family member, or another individual, who is an informal provider of in-home and community care to an older individual or to an individual with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction.
- **Hours Spent Developing a Coordinated System to Respond to Elder Abuse** –Indicate the number of hours to be spent developing a coordinated system to respond to elder abuse. This category includes time spent coordinating services provided by the AAA or its contracted service provider with services provided by Adult Protective Services, local law enforcement agencies, legal services providers, and other agencies involved in the protection of elder and dependent adults from abuse, neglect, and exploitation.
- **Educational Materials Distributed** –Indicate the type and number of educational materials to be distributed to the general public, professionals, and caregivers (this may

include materials that have been developed by others) to help in the identification, prevention, and treatment of elder abuse, neglect, and exploitation.

- **Number of Individuals Served** –Indicate the total number of individuals expected to be reached by any of the above activities of this program.

**HEALTH INSURANCE COUNSELING AND ADVOCACY PROGRAM (HICAP)
SERVICE UNIT PLAN
CCR Article 3, Section 7300(d)**

MULTIPLE PSA HICAPs: If you are a part of a multiple-PSA HICAP where two or more AAAs enter into an agreement with one “Managing AAA,” to deliver HICAP services on their behalf to eligible persons in their AAA, then each AAA is responsible for providing HICAP services in the covered PSAs in a way that is agreed upon and equitable among the participating parties.

HICAP PAID LEGAL SERVICES: Complete this section if your Master Contract contains a provision for using HICAP funds to provide HICAP Legal Services.

STATE & FEDERAL PERFORMANCE TARGETS: The Administration for Community Living (ACL) establishes targets for the State Health Insurance Assistance Program (SHIP)/HICAP performance measures (PMs). ACL introduced revisions to the SHIP PMs in late 2016 in conjunction with the original funding announcement (ref HHS-2017-ACL-CIP-SAPG-0184) for implementation with the release of the Notice of Award (Grant No. 90SAPG0052-01-01 issued July 2017).

The new five federal PMs generally reflect the former seven PMs (PM 2.1 through PM 2.7), except for PM 2.7, (Total Counseling Hours), which was removed because it is already being captured under the *SHIP Annual Resource Report*. As a part of these changes, ACL eliminated the performance-based funding scoring methodology and replaced it with a Likert scale comparison model for setting National Performance Measure Targets that define the proportional penetration rates needed for improvements.

Using ACL’s approach, CDA HICAP provides State and Federal Performance Measures with goal-oriented targets for each AAA’s Planning and Service Area (PSA). One change to all PMs is the shift to county-level data. In general, the State and Federal Performance Measures include the following:

- PM 1.1 Clients Counseled ~ Number of finalized Intakes for clients/ beneficiaries that received HICAP services
- PM 1.2 Public and Media Events (PAM) ~ Number of completed PAM forms categorized as “interactive” events
- PM 2.1 Client Contacts ~ Percentage of one-on-one interactions with any Medicare beneficiaries
- PM 2.2 PAM Outreach Contacts ~ Percentage of persons reached through events categorized as “interactive”
- PM 2.3 Medicare Beneficiaries Under 65 ~ Percentage of one-on-one interactions with Medicare beneficiaries under the age of 65
- PM 2.4 Hard-to-Reach Contacts ~ Percentage of one-on-one interactions with “hard-to-reach” Medicare beneficiaries designated as:
 - PM 2.4a Low-income (LIS)
 - PM 2.4b Rural
 - PM 2.4c English Second Language (ESL)
- PM 2.5 Enrollment Contacts ~ Percentage of contacts with one or more qualifying enrollment topics discussed

AAA's should demonstrate progress toward meeting or improving on the Performance requirements established by CDA and ACL as is displayed annually on the *HICAP State and Federal Performance Measures* tool located online at: <https://www.aging.ca.gov/ProgramsProviders/AAA/Planning/>.

For current and future planning, CDA requires each AAA ensure that HICAP service units and related federal *Annual Resource Report* data are documented and verified complete/ finalized in CDA's Statewide HICAP Automated Reporting Program (SHARP) system per the existing contractual reporting requirements. HICAP Service Units do not need to be input in the Area Plan (with the exception of HICAP Paid Legal Services, where applicable).

Funding for Access, In-Home Services, and Legal Assistance

The CCR, Article 3, Section 7312, requires the AAA to allocate an “adequate proportion” of federal funds to provide Access, In-Home Services, and Legal Assistance in the PSA. The annual minimum allocation is determined by the AAA through the planning process. The minimum percentages of applicable Title III B funds⁸ listed below have been identified for annual expenditure throughout the four-year planning period. These percentages are based on needs assessment findings, resources available within the PSA, and discussions at public hearings on the Area Plan.
