No travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the State. [2 CCR 599.615 et seq.]

D. Funding Contingencies

1. It is understood between the parties that this Agreement may have been written before ascertaining the availability or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.

This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government or the Budget Acts of the appropriate fiscal years for purposes of this program(s). In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or the Legislature that may affect the provisions, terms, or funding of this Agreement in any manner.

Payment for performance by the Contractor shall be dependent upon the availability of future appropriations by the Legislature or Congress for the purposes of this Contract and approval of an itemized budget. No legal liability on the part of the State for any payment may arise under this Contract until funds are made available, the itemized budget is received and approved by the State, and the Contractor has received an executed contract.
