

Hello ADRC Partners,

We are sharing some new resources and information that may be useful to your organization during the current COVID-19 pandemic.

1. A 2020 study was completed on behalf of the National Centers for Disease Control and Prevention (CDC Foundation) regarding the needs and concerns of older adults (age 50+) and unpaid caregivers in the U.S. during the COVID-19 pandemic. An executive summary of the report is attached, and more information is here: [NORC at the University of Chicago](#).
2. ADvancing States recently published a report on “Technology and Access during COVID-19: State Aging and Disabilities Initiatives.” A PDF of the report is attached.
3. The Administration for Community Living’s No Wrong Door team broadcasted a podcast regarding COVID-19 and care transitions. You can find the podcast on their [TA-Community website](#), or a Word version of the transcript is attached here.
4. The Administration for Community Living published a report: “Five Practical Ways NWD/ADRC Systems Can Reach Out to Nursing Facilities During the COVID-19 Pandemic.” A PDF of the report is attached.
5. The National Core Indicators for Aging and Disabilities (NCI-AD) held a webinar regarding social connectedness among older adults and people with disabilities. A recording of the webinar is available here: <https://nci-ad.org/resources/presentations/>.
6. The February 26 *ADRC Fridays* roundtable recording is available, if you missed the event. Please email the ADRC Branch Team if you would like to receive the link. ADRC@aging.ca.gov

Best regards,

ADRC Branch Team
