ADRC of The Mother Lode Peer Promising Practices

Promising Practices Submission #1

- An Online Resource Directory = No Wrong Door / Enhanced Information and Assistance.

How is it enhanced?

- Consumers can access this resource directory at any time when it is convenient for them. (Outside of the hours of 8:00 a.m. – 5:00 p.m.)

What does our online resource directory provide?

- Consumers have access to resources, links to other CBO's or Agencies, and each core partner website.

Promising Practices Submission #2

- Quick Response (QR) Code = Instant access to our online resource directory.

How easy is it to access?

- Consumers can use their smartphone or smart device (i.e., iPad, Tablet) to scan the QR code. Scanning the QR code will take them straight to our online resource directory.
- The QR code is easy to incorporate into advertising such as fliers, postcards, and even the back of our business cards.
