

#CACOMINGTOGETHER CONFERENCE SERIES: Assistive Technology

REGISTER TODAY!

Hosted by The California Association of Area Agencies on Aging (C4A) and
The California Foundation for Independent Living Centers (CFILC)

You asked, we delivered! CFILC and C4A proudly continue the conversation from our Integrated Conference with a special one-day virtual web conference on Thursday, April 22 (Earth Day) focused on assistive technology. Join professionals in the assistive technology, aging, and disability fields to learn, grow, and network!

Interactive workshop topics: AT Makers, AT Smart Home, AT for Connection and Companionship, plus more to be announced soon!
