End

of Life and Discontinuation Notice

QuickBooks

Payroll Support has been a trusted accounting solution for millions of small and medium-sized businesses. However, Intuit has officially announced that support for this version will be discontinued on May 31, 2026. This means that after this date, updates, payroll services, and customer support for this version will no longer be available. This discontinuation policy is important to understand so you can avoid business interruptions. For immediate guidance and assistance, call 1-888-370-0812 or 1-888-370-0812.

What

Does the Discontinuation of QuickBooks Payroll Support Mean?

The

discontinuation of QuickBooks Payroll Support means:

- End

of Automatic Updates – The software will no longer receive automatic software or security updates.

- Payroll

Services Termination – Payroll services, including tax table updates, will stop after this date.

- Customer

Support Ends – Intuit support for this version will no longer be available.

- Security

Risks – Without updates, the software becomes more vulnerable to security threats.

Businesses

should start planning their upgrade strategy now to prevent interruptions.

Experts recommend creating secure backups of all company files before the discontinuation date. Without upgrading, you may face issues like payroll mismatches, update failures, or file corruption.

Why

Intuit Discontinues Older QuickBooks Versions

Intuit

discontinues older versions to focus on enhanced features, cloud capabilities, and improved security in newer versions. Key reasons include:

- Delivering

enhanced security protocols

- Ensuring

up-to-date payroll and tax table services

- Supporting

cloud integration with QuickBooks Online

· Improving

software performance and stability
